1 Create Corrigendum

Corrigendum is the process of making changes in the published tenders. It is a combined process of Creating and Publishing of the corrigendum. Department Users with the Procurement Officer Admin role can only create the corrigendum.

To create corrigendum:

1. Launch the **Central Public Procurement Portal** site.

Figure 1: Login screen

1. Enter the registered user **Login ID** and **Password** allotted to the creator.
2. Click the '**Login**' button.

System displays the **Dashboard** screen.

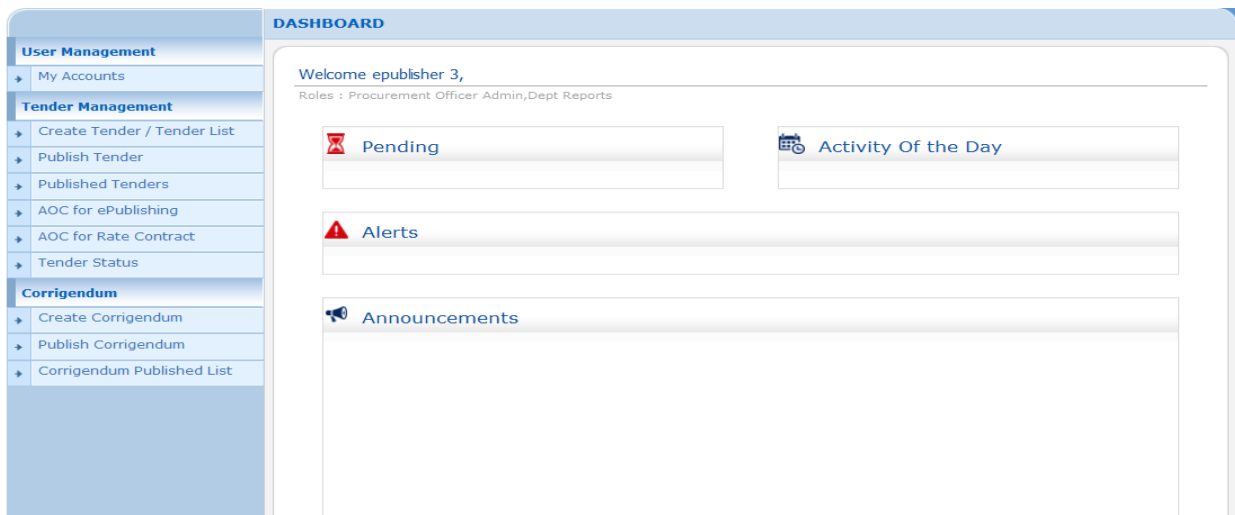

Figure 2: Dashboard screen

3. Select the '**Create Corrigendum**' tab from the left menu on the dashboard screen.

System displays the **Create Corrigendum** screen.

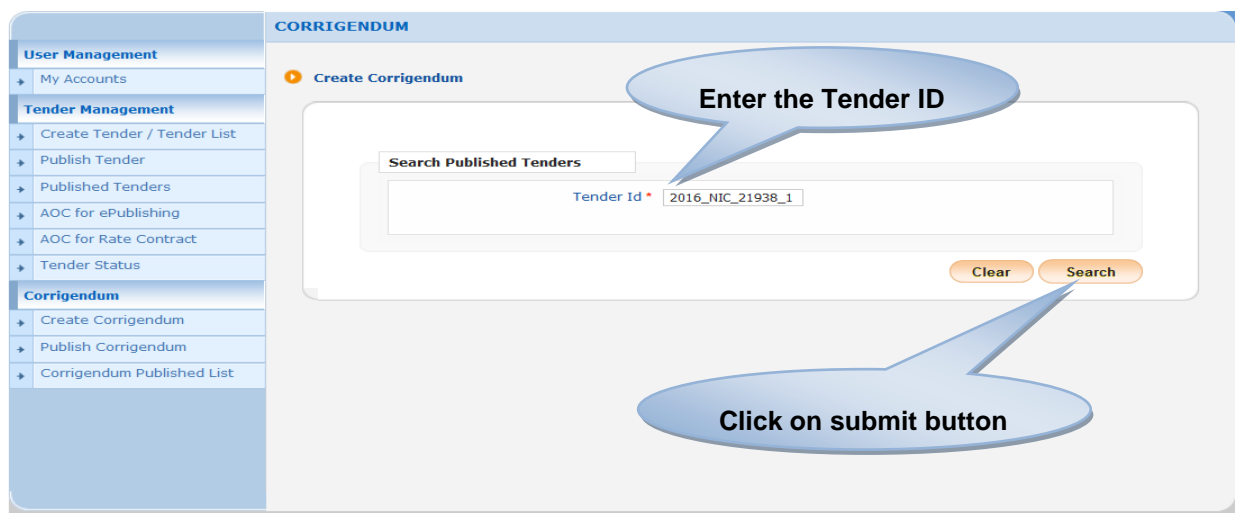

Figure 3: Create Corrigendum screen

On the create corrigendum screen,

4. Enter the Tender ID.
5. Click the '**Search**' button.

System displays the search result of tenders meeting the search criteria under **Active Tenders** table.

Corrigendum is published on different occasions as given below before the opening of the bids for a tender.

- **Date:** Use this corrigendum to make any changes in the critical dates.
- **Fee:** Use this corrigendum to make any changes in the Fee details to be submitted by the bidder.
- **Cancellation of Tender:** Use this corrigendum to cancel the tender.
- **Retender:** Use this corrigendum to retendering.
- **Others:** Use this option to make any other changes in the tender, which are not available in the list.

Detailed steps to create the various types of corrigendum are explained below.

1.1.1 Corrigendum for Date Change

Use this corrigendum, to make changes in the critical dates of a tender before the tender opening date.

To create a corrigendum for date change:

8. Click on "Add corrigendum" against the corrigendum type.
